K MANOJ

Davanagere, Karnataka | 9110884143 | manojkumar911088@gmail.com | profolio-kmanoj.vercel.app/

SUMMARY

AIML engineering student with hands-on experience building AI, web, and database projects. Skilled in Python, JavaScript, SQL, and modern web technologies, with strong problem-solving and teamwork abilities.

EDUCATION

B.E. in Artificial Intelligence and Machine Learning **09/2024 - Present**

Jain Institute of Technology, Davanagere | **GPA: 8.41/10**

SKILLS

- **Programming:** Python, JavaScript, SQL.
- **Web:** HTML5, CSS3, REST APIs, React.
- **Database:** MySQL, MongoDB, PostgreSQL.
- **Tools & AI:** Git, GitHub, Machine Learning, Prompt Engineering, LangChain, LangGraph.

PROJECTS

Automated Timetable Generator **09/2026 - 09/2026**

GIT : github.com/Manoj4143/JGI-Time_table

DEPLOYED LINK : jgi-manoj.freehosting.dev

- Developed a web-based scheduling system using PHP, MySQL, HTML, CSS, and JavaScript.
- Generated clash-free schedules using faculty availability, classroom allocation, and student timetable constraints.
- Implemented role-based access for administrators and faculty, plus timetable change request and approval workflows.

Online Quiz System **04/2026 - 04/2026**

GIT : github.com/Manoj4143/online_quiz

- Built a Python and MySQL quiz application for questions, answer options, user scores, and leaderboard results.
- Implemented database initialization, answer validation, score storage, and result display.

College Complaint Management System

GIT : github.com/Manoj4143/COLLEGE_MANAGEMENT_SYSTEM

DEPLOYED LINK : college-management-system-beta.vercel.app

- Built a full-stack platform for submitting, tracking, and resolving campus complaints across departments.
- Developed React and Vite frontend with Node.js, Express, and MongoDB backend; added JWT authentication and role-based access control.
- Implemented complaint status tracking, comments, image uploads, and deployment using Vercel and Render.

CERTIFICATIONS

- Introduction to Artificial Intelligence - LinkedIn Learning
- Career Essentials in Generative AI - LinkedIn Learning
- Introduction to Databases

VOLUNTEERING AND LEADERSHIP

Emerge - Jain Institute of Technology, Davanagere, Karnataka **02/2026 - 03/2026**

Volunteer

- Supported event coordination and participant assistance during a college event.
- Worked with fellow volunteers to support event activities and a positive attendee experience.
